Subject:

California 9-1-1 Emergency Communications Office Funding

## **Action Requested**

Accept the California 9-1-1 Emergency Communications Office (9-1-1 Office) funding and budget revision in the amount of \$22,770 for Sheriff's Office dispatcher training and recruitment made available through Assembly Bill 912 (AB912). These funds will be added to the FY 2010/2011 budget.

# **Background**

One time funding from the 9-1-1 Office was made available through AB912. AB912 is an act that amends Section 41136 of the Revenue and Tax Code related to emergency telephone systems and allows primary Public Safety Answering Points (PSAPs) a one-time payment for the cost necessary to recruit and train additional personnel necessary to accept wireless enhanced 9-1-1 calls from within their jurisdiction routed directly to their call centers. Funding of \$22,770 was designated for our PSAP from this legislation with a deadline of December 31, 2011. These funds will be used for dispatcher training and recruitment.

### Fiscal Impact

This one time funding will be used for dispatcher training and recruitment. Funds will be added to the FY 2010/2011 budget. There is no impact to the County General Fund.
